Mission & Description

"Creating disciples of Christ without creating disciples of debt"

The mission of West Coast Bible College & Seminary is to honor God by educating and ministering to a diverse community of students for the purpose of developing servant-leaders who will radically impact the world where they live with the Gospel of Jesus Christ. We accomplish this through biblically based programs and services that have an appreciation of past traditions, but that utilize online and mobile and the latest resources to equip our student for the future.

West Coast Bible College & Seminary is a 100% online Bible college, offering degrees to equip people for full-time, part-time, and volunteer service in the local church and in para-church ministries. Degrees may also be used for other form of employment. However, no expressed guarantees are made nor implied.
